Nutrition Lab 1a, b

ACTIVITIES

Our group had 40% fewer cavities.

The New Barber Shop Quartet

HSPH Class of 19??

The multi-disciplinary approach

Should old acquaintance be forgot . . .

We could put it in the punch!

I'll hide mine back here.

This should be enough Vodka.

We don't trust the water here.

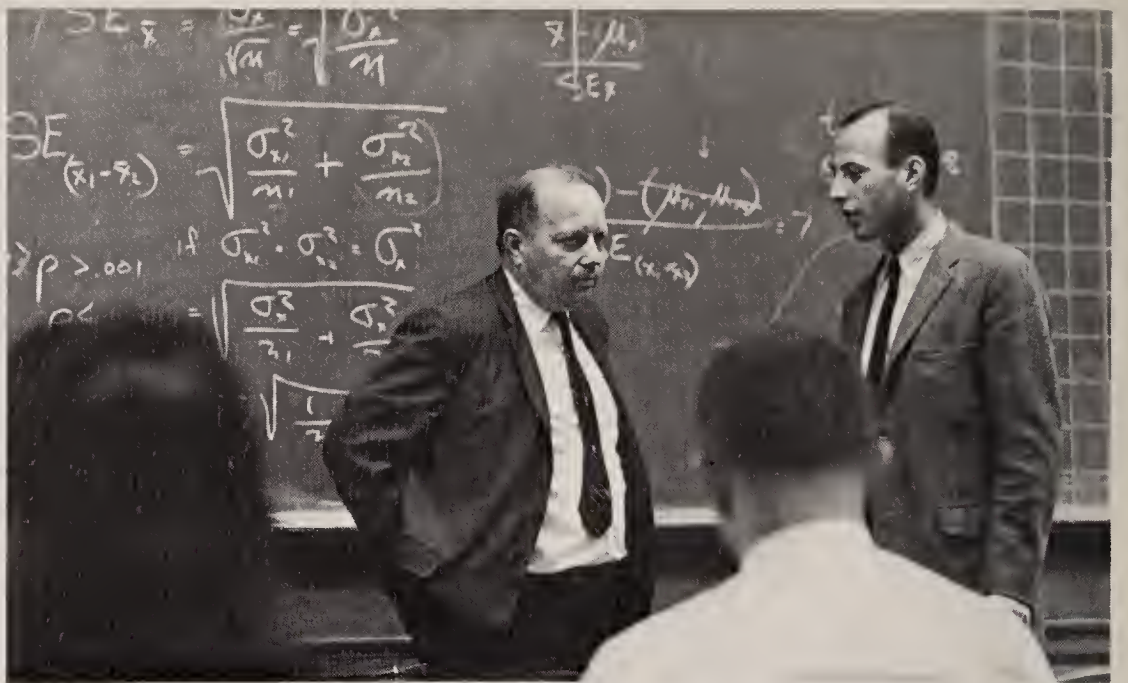

Socio-cultural Integration

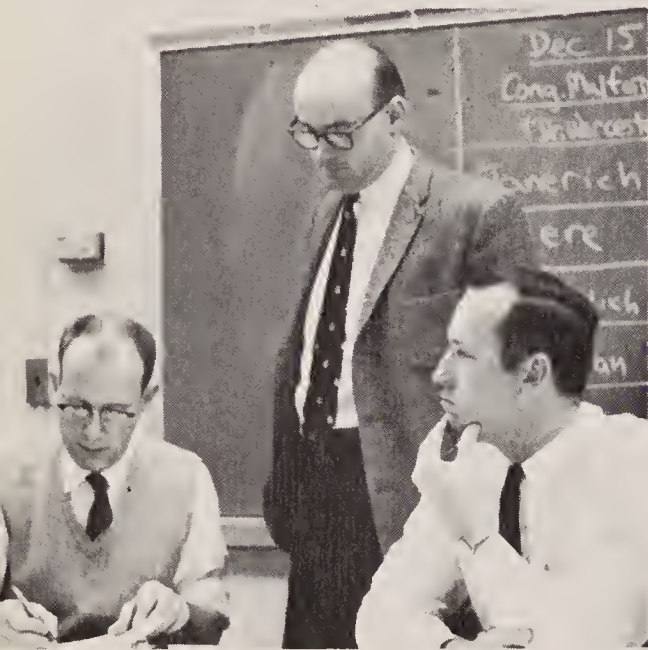

It's all in the bag.

What's this got to do with Public Health?

I think I need a shave.

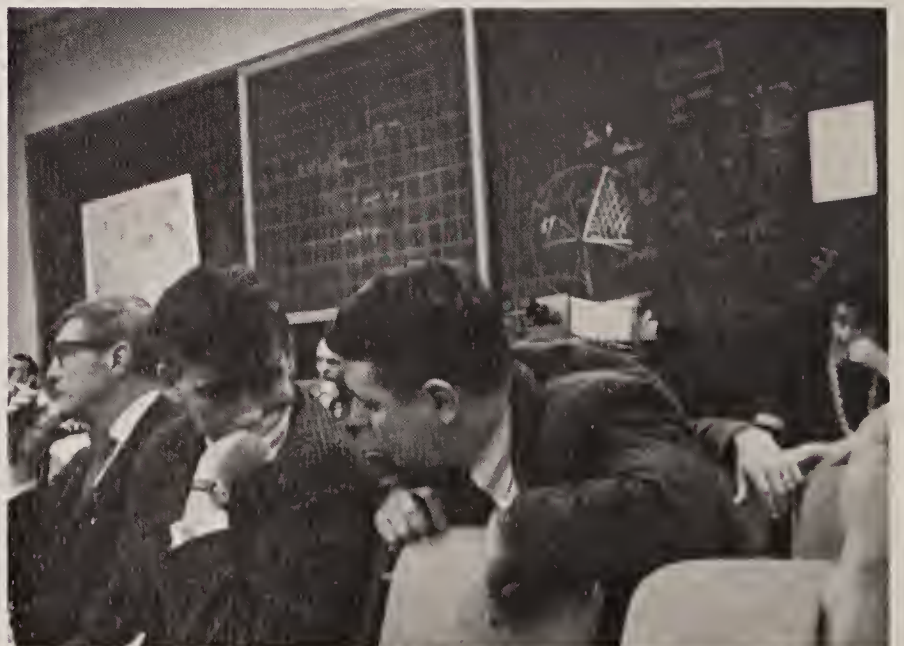

Did you hear the one about the . . .

Now for an Old Grand Dad and soda!

If they would only give us a hint . . .

Do you know a good dentist?

But I always count on my fingers.

Then you take the MBTA . . .

Biostat . . . grrr . . .

I didn't think the test was that difficult!

In exactly three minutes we can go home.

Where is my cohort?

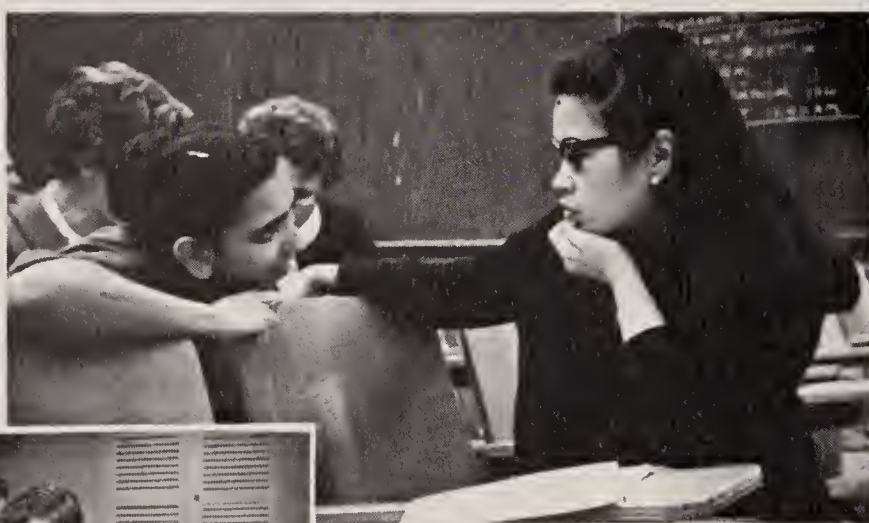

We could stage a demonstration.

What's all this talk about air pollution?

Only my hairdresser really knows.

Sir, during your lecture you said . . .

Now they are both doing it!

Three for a quarter?

As you can see, this is a female.

Mon dieu ... qu'est-ce que c'est?

I still prefer the International House!

Hello, honey ...

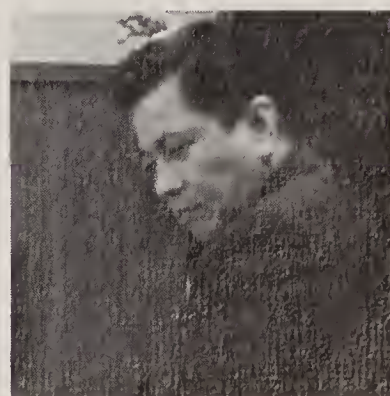

@ #!!*#

Phew ... what a lecture!

Could you keep it quiet during the exam?

Coffee 1a, b

... and I don't even smoke.

I'd rather be on the outside looking in.

The Yearbook Committee wishes to express its appreciation to the Administrative Offices of the School for support and assistance in the production of this book. This includes a special thanks to Roger Spaulding and Gail Stocker for numerous occasions of aid and encouragement. Thanks also goes to Claire Wasserboehr for advice and assistance.

We also would like to acknowledge the support of the Winthrop Laboratories, without which this Yearbook would not have been possible.
